

WOMEN'S NORTHWEST SUBURBAN TENNIS LEAGUE
SPRING - 2010

Dear Captains,

Welcome back to another spring season. Listed below are the duties of a team captain. For more information, including directions to clubs and towns, you can visit our website at www.nwstl.org.

1. Captains should know the rules, which are on the website. Review them with your teammates. Please note important changes in rule 1-G, 3-C, 3-F, and 4-A.
2. Give each member a schedule or tell them to visit the website.
3. Dues are \$32.00 per team must be sent immediately (if not already sent) to Cynthia Harvey, 7 Duston Lane, Acton, MA 01720, and made payable to Cynthia Harvey.
4. Captains are responsible for sending names and phone numbers of regular team members, listed in order of probable line-up, in addition to a complete list of subs (see rule 1-C). Please include the Captain's name, address, phone number, and email address if possible. The Chairman must receive this no later than April 16th.
5. Captains should report complaints to their division rep. as soon as possible after the match.
6. Captains must contact each other at least two days before match day to make arrangements for the next match. If all four teams are not playing at the same time, it's the visitor's choice who plays first or second. Please note rule 3-A.
7. Captains are responsible for securing indoor courts in case of inclement weather. Captains must watch weather forecasts and plan ahead so courts can be secured.
8. Captains of the home teams must send scores to their division reps. within 2 days of the match. Scores may be mailed, emailed, or faxed. Fax numbers and addresses of division reps are on the schedules.
9. Trophies will be given to division winners and scores will be posted on our website at www.nwstl.org.

Have a good season,
Cynthia Harvey
