

**WOMEN'S NORTHWEST SUBURBAN TENNIS LEAGUE  
SPRING 2026**

Dear Captains,

Welcome back to another spring season. Matches will start the week of April 27<sup>th</sup> and continue for 7 weeks. Don't forget that subs must be on the team roster before they play a match. If a sub needs to be added, you must give the player's name to the chairman or division rep before she plays a match. Also, subs may only play for one club or town. When a club has more than one team in a division, a substitute can play matches for only one of the teams in that division throughout the season. Match days will be the same as last year: A-1 and A-2 on Fridays, B-1 and B-2 on Wednesdays, A-3 and B-3 on Thursdays. Please send the scores to your Division Rep. as soon as possible so we can post the scores.

Have a good season.
